

GAL OYA PLANTATIONS (PVT) LTD

REQUEST FOR PROPOSALS (RFP)

Implementation of Distribution & Fleet Management System with ERP Integration

Galoya Plantations (Pvt) Ltd hereby invites proposals from reputed and qualified vendors with proven experience in Distribution Management Systems, Fleet Management Solutions, and ERP integration for the implementation of a comprehensive system.

Scope of Work

The selected vendor will be responsible for the design, development, implementation, and support of a fully integrated Distribution & Fleet Management System, including but not limited to:

- Distribution planning and delivery management
- Fleet tracking and vehicle monitoring (GPS integration)
- Route optimization and scheduling
- Fuel management and vehicle maintenance tracking
- Real-time data capture and reporting
- Integration with ERP system (e.g., SAP or equivalent)
- Mobile application support for field operations
- Offline data capture and synchronization

Eligibility Criteria

Prospective vendors must demonstrate:

- Proven experience in Distribution & Fleet Management Systems
- Experience in ERP integration (SAP or similar systems)
- Successful implementation of similar projects
- Availability of local support and maintenance services
